

### Traveling Arkansas

Last week, [I traveled home](#) to speak with my fellow Arkansans about the issues on their mind, from health care and the economy, to energy reform and education.

The week began in Little Rock at a seminar sponsored by the Arkansas State Chamber of Commerce/Associated Industries of Arkansas to welcome the Chinese Ambassador to the United States, His Excellency Zhou Wenzhong. By the week's end, I had visited Malvern, Hot Springs, Springdale, Benton, Pine Bluff, and Bella Vista, in addition to in-office meetings with groups and constituents from all across our state.

I am grateful for the opportunity to have met with so many Arkansans, and I look forward to [more events throughout the Congressional work](#) period. I want to hear from all Arkansans, and I encourage constituents to continue to [contact me](#)
